1.1 Песни с орнаменти

Показалецът съдържа групиране на песни, в които се срещат орнаменти – тонове или група от тонове, чиято функция в мелодията е декоративна. В нотограмите орнаменталните фигури са отбелязани с ноти в нормален (1/32 или 1/64) или дребен шрифт (форшлаг, нахшлаг), както и с други графични знаци (глисандо, трилет, мордент).

Код	елемент
1/32	– 1/32 или 1/64 нота
grace	– форшлаг
afterGrace	– нахшлаг
prall	– мордент
mordent	– пресечен мордент
glissando	– глисандо
trill	– трилер

Таблицата показва брой песни, които съдържат съответния орнамент по жанрове и културни функции. В колоната all са брой орнаментирани песни, т.е. които съдържат поне един орнамент.
